SIZE & CARE GUIDE

ORIGINAL TEES

How to measure

- 1. Grab your favourite tee Choose one that fits you well it'll be your best reference.
- 2. Lay it flat
 Place it on a smooth surface and flatten
 out any wrinkles, without stretching it.
- 3. Measure the Width
 Using a ruler or tape measure, measure
 straight across the chest from one side
 seam to the other, just below where the
 sleeves meet the body.
- 4. Measure the Length Measure from the highest point of the collar (next to the neckline) straight down to the bottom hem.

Measurement	XS	S	M	L	XL	2XL	3XL
